ABOUT THE CONFERENCE

NEWCOMER'S SESSION

NSEA is all about people sharing their ideas, time and energy. If you are new to the association, or if you have been in the association a while but have not been very involved, we would like to meet you.

The Newcomers Session will be on Monday, October 18, from 4:00 to 4:30 p.m. This is your chance to meet the NSEA Board of Directors, find out all about the Association, and learn more about how you can get involved.

PRESIDENT'S RECEPTION

The president's reception will be held this year at the amazing Newport Aquarium on Monday, October 18th at 6:30 p.m.

Join us at the aquarium for a cash bar, coffee and dessert followed by a scavenger hunt. Then feel free to tour the beautiful aquarium on your own, shop or take in a movie at Newport on the Levee or just enjoy a riverside stroll. Buses will run continuously throughout the evening between the aquarium and the Hyatt for convention attendees. Guests can join in the fun for \$20/person.

STUDENT EMPLOYMENT ESSENTIALS TRAINING

Before the conference gets underway, you will have the opportunity to attend NSEA's popular training program: Student Employment Essentials (SEE) - the Foundation for Effective Student Employment Programs.

Expert trainers will present one-day, professional seminars teaching you the skills critical for a successful student employment program, designed to help you hit the ground running.

CONFERENCE SESSIONS

As a conference participant, you can expect dynamic and thought provoking keynote presentations, a wide range of professional development seminars, and up-to-date concurrent sessions.

NSEA ABOVE & BEYOND CERTIFICATION

This professional development program combines the best of NSEA's conference sessions and volunteer opportunities into one unique program that honors the commitment of members to not only explore areas within student employment but to expand their own personal growth.

CONFERENCE OBJECTIVES

- Enhance a common understanding of what roles student employment professionals play and how we enhance student learning.
- Discover methods and means for recognizing and promoting student employment at our campuses.
- Understand how and where change is occurring within student employment, higher education, and federal regulations.
- Develop the skills, knowledge, and understanding necessary to execute ethical and effective student employment programs.
- Refresh our individual and community spirit.
